In these circumstances I request you to be so good as to kindly obtain sanction of government to revise the scale of the said appointment from 12 to Rs 15/ per month and to place the above said temporary establishment on a permanent basis from 1/7/

Sub: Revision of the scale of Gang Mistry and making permanent the Gang Establishment in Kolar Municipality

Sir,

With reference to correspondence ending with your letter No I 2381/Mi 4-44-6 dated 12/9/44 on the above subject, I have the honour to forward herewith the report with its enclosures received from the Municipal President furnishing information on the points raised and to state as follows

2 The temporary Gang Establishment is being continued on the authority of the resolutions of the Municipal Council, as it is doing some useful work in the interests of the general sanitation of the town It is reported that a scale Register has been maintained in the Municipality and the omission to obtain sanction of Government for the continuance of the establishment is an accidental lapse on the office staff It is seen from the reports of Messrs V Zeer Ahamed and C Venkatakrishna Rao that the Mistry Channa was paid at Rs 15/- and that the Gang certainly attended to many petty work in the town during the period The Present president has reported that the Gang is attending to the work connected with excavation of earthern drains, filling up of pits, scoures ruts, blindage to roads, removal of rank vegetation, disinfection work, etc, A definite programme of work has been drawn up by the President and under the supervision of the Sanitary Inspector the Gang men work the average out turn of work by these men is estimated at about Rs 1800/- a year as against a monthly outlay of Rs 101/-

3 As regards the entries in the service Register of Channa present
the suspensions, reduction etc, it is now reported by the President, that this work is satisfactory and as he has already suffered by being transferred to a temporary establishment from a permanent est blishment, he would be hard hit if he is not confirmed in a permanent establishment now atleast He has already put in 12 years of service and one more chance may be given to him to avoid bad reports about his conduct

4 In these circumstances, I request you to be so good as to

to obtain sanction of Government to raise the scale of the pay of the sentry from Rs 12/- to 15/- per month and to make the entire Gang Establishment permanent as already recommended
